Take part in the American Cancer Society's Making Strides Against Breast Cancer, to help defeat a disease that affects us all.

**Walk with the leader and make a difference in the breast cancer battle**

The American Cancer Society has saved countless lives from the ravages of breast cancer with leading-edge breakthroughs and discoveries: Mammogram screenings...breast-saving lumpectomies...Tamoxifen to reduce risk of recurrence. The funds you raise in support of the American Cancer Society Making Strides Against Breast Cancer will help keep us moving toward a cure.

**Ninety-six cents of every dollar raised funds:**

- Groundbreaking research into cancer's causes and cures
- Free hands-on services to improve the quality of life for cancer patients and caregivers
- Programs to help all women receive access to mammograms and lifesaving treatments.

**Save the Date:**

**Making Strides Against Breast Cancer Kickoff Breakfast**
